Hoedown for Hope

PRIZE DONATION & SPONSORSHIP OPPORTUNITIES

May 10, 2025

Saanich Fairgrounds

4 - 9 pm

Come join us for the CureMPS Hoedown for Hope! It's going to be a fun, family-friendly barn dance with live music, games, food, and drinks—something for everyone! We'd love for local businesses and organizations to get involved and help make this event a success. All funds raised will go towards supporting research for medical breakthroughs in mucopolysaccharidosis (MPS), a very rare and progressive genetic disease that affects 1 in 300,000. Simon Hoskins, a local Victoria boy, lives with MPS, and the Hoedown for Hope will help fund critical research to give Simon and all kids facing MPS hope for a cure..

For more information, please contact Becs Hoskins at becs.hoskins@gmail.com.
